EAST END HEALTH PLAN OFFERS FLU SHOTS

The East End Health Plan is pleased to announce that it will be offering Flu Shots to EEHP members 18 years and older (dependents under age 18 are not eligible) at those school districts that have agreed to participate in the clinics this Fall. Not all participating EEHP school districts have agreed to take part in the Flu Shot Clinic. Please see the below list for the districts that will be participating.

Please return the attached form to the School District Health Plan Coordinator where you will receive your vaccination no later than **September 20, 2021** for the Quogue School, Remsenburg/Speonk School, Westhampton Beach School or the Southold School; **September 24, 2021** for the Greenport School; and **October 4, 2021** for the Southampton School and Tuckahoe Common School.

You may also register by calling the Health Plan Coordinator of the School District where you will receive your vaccination.

If your school district is not listed you may still participate by completing the attached form and mailing it to the Health Plan Coordinator of the District where you plan to receive your vaccination according to the above timeline. A listing of the Health Plan Coordinators, with their contact information, can be found on our website at www.eehp.org.

There is no cost for East End Health Plan members or their dependents that are 18 years or older. Only EEHP members are eligible to receive the flu shot. **IF YOU REGISTER AND YOU FAIL TO ARRIVE TO RECEIVE YOUR FLU SHOT, YOU WILL BE BILLED \$39.00 FOR THE COST OF THE VACCINATION.**

You must register in advance in order to receive your Flu Shot
